

OUR RED WING

Our Red Wing Community is together in spirit even while we are separated physically. You can show your community pride in a creative and visible way:

- Create a wing and display it in a front window of your home. You can use the attached design as inspiration.
- Decorate a feather to add to a collaborative wing to be created by ArtReach and displayed downtown.
- Post photos on social media using #ourredwing to share your creativity with the community.

To submit a feather to a community wing:

1. Decorate and cut out the feather above or design one of your own.
2. Include your name somewhere on the feather.
3. Mail your feather (or drop it through the mail slot) to ArtReach, 436 West Third St, Red Wing, MN 55066

This activity is sponsored by ArtReach as part of the Artistic Response Team of Red Wing.
